

Cutting Edge Conference Centre & 60 New Rooms.

Jet Park Airport Hotel is pleased to announce it will open a conference centre and 60 new guest rooms in spring 2015. The new multi-storey conference centre will have capacity for 250 people and will be located close to the existing hotel. With modern guest rooms and state of the art facilities the hotel and conference centre complex will be able to offer the very best services to a variety of market segments.

Some of the key features of this modern, contemporary development is natural lighting in all the conference rooms, cutting edge technology for sound, data and audio-visual requirements, and the continuation of our award winning environmentally friendly operational principles already employed at the hotel.

The hotel will also develop a pond and wetland area with native planting adjacent to the centre with an outdoor area where groups may enjoy BBQs, teambuilding

activities, and that is suitable for outside product launches.

Liz Herrmann, one of the hotel's directors says of the new developments, "This new extension of modern rooms and cutting edge conference facilities will complement our already existing assortment of rooms and meeting facilities which our guests have come to expect and enjoy. This will give us the opportunity to further enhance our wonderful guest service, for which we are well known."

The hotel's situation near Auckland Airport, together with the direct, complimentary shuttle service, free car parking, and quality 227-room accommodation will make Jet Park Hotel and Conference Centre an ideal and convenient venue for meetings, product launches, conferences, trade shows, and weddings.

Jet Park Hotel WINS Supreme Award at Hospitality Association of New Zealand Awards.

The 2014 winners were announced at the Lion black tie Awards for Excellence dinner, held at the Energy Events Centre in Rotorua on Thursday 18th September.

We're very pleased to announce that Jet Park Hotel has won the **SUPREME AWARD 2014!** We have also won the Best Environmental, Sustainable and Ethical Practice Award and Excellence in Training and Staff Development Award. From left to right, back to front row: Ron Macdonald (F&B Manager), Adam Cunningham (President of HANZ), Liz Herrmann (Director), May Heather (Executive Housekeeper), Sonja Herrmann (HR Manager & Marketing Strategist), Janelle McClintock (Reservations Manager), Jeeva Jeeva-Nanthan (General Manager), Greg Harrison (Financial Controller), Ashley Schierhout (Property & Asset Manager)

Gift Shop- More Than Meets The Eye.

While you are in-house, why not drop by our Gift Shop and take a look at the many lovely items that would make perfect gifts- all at a reasonable cost. From colourful Indian bead necklaces, beautiful hand-crafted silk scarves to crafted African ornaments, jewellery, and NZ glass sculptures.

Our Gift Shop is on the left as you come into the hotel lobby, plus we have a selection of gifts in our Business Centre. Ask at Reception for more information or if you would like to make a purchase.

Car Storage Policy.

Complimentary car storage is provided for 14 days for guests staying with us for 1 night or more pre or post their travels and is subject to availability. We have recently been experiencing a high demand for this facility and we ask that you pre-book your storage with us when you make your room reservation to avoid disappointment.

October - November 2014

Jet Park Hotel's Environmental, Sustainable and Social Care Initiatives

Dear valued Guests
 Welcome and thank you for choosing to stay at Jet Park Hotel - a great choice in "best environmental practice". We believe in protecting our beautiful New Zealand environment for future generations, and we have developed a plan you can be a part of. Awarded a Qualmark GOLD-Enviro rating in 2011, 2012, 2013 and 2014- a testament to the fact that the environmental health of our country and our planet for future generations is something we take very seriously. We welcome your feedback on our environmental or social policies. Please use the in-room guest comment cards.

Responsible Tourism Initiatives

Jet Park Hotel has **over 60 Responsible Tourism Initiatives**; of particular note:

- Energy saving by turning off lights when guests are away from their rooms
- Energy efficient light bulbs
- Solar heating panels for hot water
- Herb garden on-site
- Rubbish/recycling of waste eg. Recycling food waste into compost, containers, paper etc.
- Water savings measures including flow restrictors
- Eco-friendly Park Spa amenity range
- Continual 'audits' aimed at future reductions in power consumption

Room Key Cards

These are designed to control the lights in your room – so that when you're out, lights are off to save power. You may wish to consider turning off your TV and heating/cooling too, when not in the room. We have installed a number of power- saving low-energy use lights.

New Enviro Friendly Park Spa Range

We are pleased to supply you with a low-allergy, NZ made body product range made with the healing properties of NZ 'Mamaku' (Black Fern). We have created our own product dispensers for some of our range to reduce daily waste from small, individualised plastic containers. Our hair products and soap are still available in individual containers and these are recycled after use.

Other Benefits:

- Hair care products are all made using bio-degradable formulations, are free from animal and petrochemical by-products, and are Paraben free.
- Hair & skin care products are made from sustainably sourced, GE free ingredients.
- Cardboard boxes are made from 100% recycled, oxygen bleached carton board.

- Caps and bottles are fully recyclable.
- Formulations are tested on humans, not animals!
- Partially used soaps are returned to the manufacturer to be recycled into Biofuel and biodegradable industrial cleaning compounds.

Water

Water is precious – even in a country where it rains so much! Flow restrictors have been introduced to our shower heads to save both water and gas used for heating. Our toilets also use less water for flushing than other systems. We have also planted native trees and mulched our gardens to reduce the need for garden watering. You may wish to help save water by turning off the tap tightly and avoiding leaving water running. If you are staying with us for several days, please feel free to decline a towel change from our housekeepers.

Rubbish and Recycling

Systems are in place to ensure that our waste is separated and as little as possible ends up in waste disposal. We separate paper, recyclable materials, paper and cardboard, as well as much of our compostable food waste from our general rubbish. Please feel free to leave your recyclable waste in your room next to the bin to be included with our recyclable waste.

Our Unique Local Environment

If you have some spare time during your stay, you may wish to explore some of the unique volcanic areas and historic Maori settlement sites located a short drive from the hotel. These include Mangere Mountain, Ambury Park, and the Otuatua Stone Fields. **For maps and transport- see reception.**

We have planted the hotel grounds in native vegetation including Flax, Cabbage Trees, Manuka and Kowhai. These attract native bird life to the site and create a small 'green belt' in a fast-developing industrial area. Please feel free to enjoy a stroll around our grounds!

Did You Know?

The kokako is one of NZ's endangered and endemic (that is, found only in New Zealand) birds (650 pairs left @ Nov 2012). A joint project between the Auckland City Council and Department of Conservation, The Kokako Project was created to protect and save the kokako. Jet Park Hotel is proud to be a part of this project.

How Can I Help?

Did you know you can help us to look after the beautiful landscapes that are New Zealand? Please leave any recyclable waste e.g. paper, newspaper, magazines, any glass or plastic bottles beside the bin in your room to be included in our recycling system.

JET PARK HOTEL ENVIRO AWARDS:

- 2014:** Hospitality Association of New Zealand Winner - Best Environmental, Sustainable and Ethical Practice
