

Dear Guests,

Welcome to Jet Park Hotel. We hope you have a thoroughly enjoyable stay. As we settle into the year, our attention is focussed on providing guests the 'best little extras' whether it's an updated Park Spa amenity range, a new breakfast menu, indoor kid's playground upgrade, or great dining specials.

Our most up to date news and information is placed onto our website blog- please take a look! And remember, feel free to provide any feedback on our guest comment form in your room- we value your opinion.

The Jet Park Hotel Team

Park Spa Room Amenities 2014.

We're excited to announce that Jet Park Hotel's exclusive Park Spa range has undergone a refresh- including an updated look and feel to the range. Our supplier has amended the formulations to contain 'Mamaku'- New Zealand's native Tree Fern Mamaku (or Black Fern). This contains a powerful healing extract that has been used by Maori for centuries to soothe and revive. You can be sure that using our Park Spa amenities, is not only good for your hair and skin, but good for our environment too! **See over page for further benefits.**

Latest Te Maroro Restaurant News.

Te Maroro Restaurant holds the 2013 NZ Beef and Lamb "People's Choice" award, and is open for breakfast from 5am, lunch, and dinner daily. Did you know that at any time of day or night, you can get a meal or drink at Jet Park Hotel? This is one way we ensure our guests are well looked after. There are a number of updates we're pleased to bring you:

- New Coffee Bar refurbishment
- Popular new blackboard specials at Indaba Lounge Bar
- NZ Beef & Lamb special with glass of matched wine, for only \$45 per person.

Staff Shine at Corporate's Circle Dinner.

We recently hosted a Corporate's Circle dinner for selected top clients in Te Maroro Restaurant. Executive Chef, Nancye Pirini with her kitchen team did the hotel proud with an exclusive 6-course tastings menu, and a thoroughly enjoyable evening was had by all! A special note of thanks to the superb wait staff for their attentive service. This is a great example of the teamwork between several departments culminating in a successful hotel event that we can all be proud of!

Have You Visited Our Facebook Page?

From the kid's colouring competition winner (from kid's menu) to the Corporate's Circle Dinner photo album, hotel news and any community focus or interesting facts- are all posted on our Facebook page. Simply search 'Jet Park Hotel' on Facebook, and don't forget to 'LIKE US'.

Jet Park Hotel's Environmental, Sustainable and Social Care Initiatives

Dear valued Guests

Welcome and thank you for choosing to stay at Jet Park Hotel - a great choice in "best environmental practice". We believe in protecting our beautiful New Zealand environment for future generations, and we have developed a plan you can be a part of. Awarded a Qualmark GOLD-Enviro rating in 2011, 2012, 2013 and 2014- a testament to the fact that the environmental health of our country and our planet for future generations is something we take very seriously. We welcome your feedback on our environmental or social policies. Please use the in-room guest comment cards.

Responsible Tourism Initiatives

Jet Park Hotel has **over 60 Responsible Tourism Initiatives**; of particular note:

- Energy saving by turning off lights when guests are away from their rooms
- Energy efficient light bulbs
- Solar heating panels for hot water
- Herb garden on-site
- Rubbish/recycling of waste eg. Recycling food waste into compost, containers, paper etc.
- Water savings measures including flow restrictors
- Eco-friendly Park Spa amenity range
- Continual 'audits' aimed at future reductions in power consumption

Room Key Cards

These are designed to control the lights in your room – so that when you're out, lights are off to save power. You may wish to consider turning off your TV and heating/cooling too, when not in the room. We have installed a number of power- saving low-energy use lights.

New Enviro Friendly Park Spa Range

We are pleased to supply you with a low-allergy, NZ made body product range made with the healing properties of NZ 'Mamaku' (Black Fern). We have created our own product dispensers for some of our range to reduce daily waste from small, individualised plastic containers. Our hair products and soap are still available in individual containers and these are recycled after use.

Other Benefits:

- Hair care products are all made using bio-degradable formulations, are free from animal and petrochemical by-products, and are Paraben free.
- Hair & skin care products are made from sustainably sourced, GE free ingredients.
- Cardboard boxes are made from 100% recycled, oxygen bleached carton board.

- Caps and bottles are fully recyclable.
- Formulations are tested on humans, not animals!
- Partially used soaps are returned to the manufacturer to be recycled into Biofuel and biodegradable industrial cleaning compounds.

Water

Water is precious – even in a country where it rains so much! Flow restrictors have been introduced to our shower heads to save both water and gas used for heating. Our toilets also use less water for flushing than other systems. We have also planted native trees and mulched our gardens to reduce the need for garden watering. You may wish to help save water by turning off the tap tightly and avoiding leaving water running. If you are staying with us for several days, please feel free to decline a towel change from our housekeepers.

Rubbish and Recycling

Systems are in place to ensure that our waste is separated and as little as possible ends up in waste disposal. We separate paper, recyclable materials, paper and cardboard, as well as much of our compostable food waste from our general rubbish. Please feel free to leave your recyclable waste in your room next to the bin to be included with our recyclable waste.

Our Unique Local Environment

If you have some spare time during your stay, you may wish to explore some of the unique volcanic areas and historic Maori settlement sites located a short drive from the hotel. These include Mangere Mountain, Ambury Park, and the Otuataua Stone Fields. **For maps and transport- see reception.**

We have planted the hotel grounds in native vegetation including Flax, Cabbage Trees, Manuka and Kowhai. These attract native bird life to the site and create a small 'green belt' in a fast-developing industrial area. Please feel free to enjoy a stroll around our grounds!

Did You Know?

The kokako is one of NZ's endangered and endemic (that is, found only in New Zealand) birds (650 pairs left @ Nov 2012). A joint project between the Auckland City Council and Department of Conservation, The Kokako Project was created to protect and save the kokako. Jet Park Hotel is proud to be a part of this project.

How Can I Help?

Did you know you can help us to look after the beautiful landscapes that are New Zealand? Please leave any recyclable waste e.g. paper, newspaper, magazines, any glass or plastic bottles beside the bin in your room to be included in our recycling system.

JET PARK HOTEL ENVIRO AWARDS:

- 2013:** Hotel Industry Environmental Initiative Award
- Westpac Auckland South Business Awards 2013 WINNER - Excellence in Social Responsibility and Sustainability
- 2012:** Hospitality Association of New Zealand Finalist - Best Environmental, Sustainable and Ethical Practice
- 2011:** Qualmark Enviro-GOLD award.
