New Look Lobby. We've updated the look of our reception area: feature lighting on the Rex Homan Artworks (The Fish Wall and the Wave) and some new furniture has added new interest and warmth - a great space to arrive to and depart from!

Staff "Happenings" at Jet Park Hotel

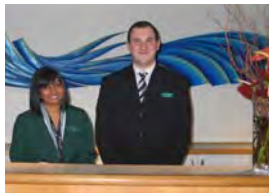

We are sad to announce that *Simon Turner, Executive Chef* of Te Maroro Restaurant has resigned from his role with us after a stunning 12 years of long-service to the hotel. Simon has worked his way up in the kitchen from a CDP when the hotel first opened its doors in 1998 to being our Executive Chef! Simon will be missed by all our staff - but we wish him every success as he ventures out onto new paths!

Did you know that we employ our very own IT

Andrew Garnett

Technician? *Andrew Garnett* has recently joined our team and not only keeps the hotel network, hardware, and other IT services up and running; he is also available to assist guests and conference attendees with access to our internet services and for basic troubleshooting when he is on site.

Niluka & Romeo at Reception

We also welcome *Romeo Liebig*, our newest Duty Manager who is ready to provide you with excellent service along with all of our reception team!
