Jet Park awarded Qualmark 4 Star Plus Rating! We are proud to announce that Qualmark have completed their annual assessment of our property and have awarded us with a new 4-Star Plus rating. We have previously held a rating of 4-Stars. The team have worked very hard over the last year to earn this new rating. Our aim is to continue to challenge ourselves to provide an outstanding hotel experience for guests and we are pleased that the Qualmark rating reflects this! Qualmark is New Zealand's official mark for quality in tourism businesses and ratings range from 1 to

5-Stars for hotels. To gain this rating the hotel underwent an onsite assessment using criteria made up of over 400 quality checks. The criteria, which have been developed with the tourism industry and are based on research into what travellers want, looks at areas such as cleanliness, safety, facilities, customer service, business operations and more. Over the last year the hotel completed refurbishments to its corridors, Overnighter rooms, bar, business centre, website booking engine, installed sound-proofing on guest room windows, new LCD TV's in Premier rooms, and new outdoor furniture.

These, along with continued efforts to provide excellent overall facilities and service, and efforts to decrease our environmental footprint have all contributed to the new rating. The hotel has plans for further work in 2010- watch this space!
