Hospitality Association of New Zealand Awards 2008. Jet Park Hotel was one of three national finalists for the “Best Accommodation Hotel” and won the award for “Excellence in Marketing” at this year’s awards held at the Dunedin Town Hall on the 16th October. Pictured are brother and sister Sebastian (right) and Sonja Herrmann accepting the award from Mike Berry (left) from The Radio Bureau. We are proud of this win as a lot of work has gone into re-branding from “Jet Inn”, updating marketing material, and rebuilding the website. We are also immensely pleased to be considered one of 3 finalists for Best Hotel because we were competing against the Westin Auckland and the Grand Mercure Nelson— who won the title.

For Hotel Guests and Corporate Companies! Please, please, please do yourself a favor and visit our website’s new booking engine! You will be thoroughly impressed with the simple and speedy process involved in making a booking. We also guarantee that by booking via our website you will always receive the best available online rate— direct with no third party booking fees. If you find a better publicly available rate on another website we will match it and take a further 10% off. Full terms and conditions on website. If you are a corporate company, please contact our sales coordinator

on our online booking engine. Travel agents will be able to make bookings in the near future— watch this space for further details. **Website Updated!** Along with our new booking engine, we have also updated several areas of our website and included photos and information about the new deluxe rooms and long-stay apartments which are part of the South Wing that we opened in August this year. Sebastian Herrmann, Operations Manager who is in-charge of all the website updates has also included a new toolbar on the home page to make booking your room even faster!
