HOW CAN YOU HELP?

You may wish to help save water by turning off the tap tightly and avoiding leaving water running.

If you are staying with us for several days, please feel free to decline a towel change from our housekeepers.

Please leave any recyclable waste e.g. newspaper, magazines, any glass or plastic bottles beside the bin in your room to be included in our recycling system.

Room key cards: These are designed to control the lights in your room, so that when you're out, lights are off to save power. You may also wish to consider turning off your TV and heating/cooling too, when not in the room.

If you're walking on New Zealand's beautiful trails/bush walks, always wear clean shoes and use shoe spray stations to prevent the spread of 'Kauri Die Back Disease'.

ROUND THE BAYS WITH TEAM JET PARK

'Ports of Auckland Round the Bays' is an annual charity fun run. An 8.4Km journey from the city along the waterfront to St Heliers Bay. This event attracts around 30,000 runners and walkers. Cheers to our amazing staff members who are taking up this challenge on 3rd Mar'19!

MODERN NEW LOBBY TAKING SHAPE!

Here is a sneak preview of the exciting changes happening in Jet Park Hotel's new lobby area. The iconic "fish wall" entitled "Schooling" by New Zealand Artist, Rex Homan was previously mounted on the curved wall which has been removed to create a spacious area with Kōura Café.

The fish, made from New Zealand swamp Kauri, have been repaired and are now swimming in their

new 'waters' in the main lobby. Fellow artist and friend to Rex, Barry Kynoch has assisted with the new installation. The work will be finished with attractive lighting. Other renovations include the replacement of the hotel's original lift (20 years old), a new floor, and the opening of the gift shop and business centre to allow for a large, attractive hub for guests to arrive into and relax. We thank everyone for their patience during the renovations.
